“ I will always remember Aunt Antha Belle with the fondest of memorys. I know how much it hurts to lose your mom. But, we can rest assured that she has a very large family awaiting her with God. She was one very smart cookie. She was a wiz when it came to word games. We can all be thankful for her genealogy book. That book is a treasure to have. I could go on and on. I will always smile when thinking of her. Who can ask for more from family and friends.

“ Patti Ralph So very sorry for your loss. My memories go back many years of spending the summer with Marie while at Granddaddy's, The food, the fudge, the bedtime stories and the special records she would play for me and Marie. Loved my Aunt Antha Belle with all my heart. So many wonderful memories

“ Mom, Gary and I were just talking about Aunt Antha Belle this weekend. We all shared fond memories of coming to Antha Belle and Dalton's home. She always cooked, popped popcorn and played cards with us. Gary said the boys use to take him, Mike and Doug swimming in a creek when we were there visiting in the summer. So sorry for the loss of such a wonderful mother, grandmother, and Aunt. Love to all of you.
